Report of Principal and School Improvement Council

Mitchell Elementary proudly commemorated 100 years of education in 2008-2009. Located in downtown Charleston, Mitchell first opened its doors to students and their families 100 years ago, in 1909. Built for \$50,000 and considered one of the most modern school buildings in the country at the time it opened, Mitchell has seen tens of thousands of students, families, teachers and community members come through its doors. On the 100th day of school last year, we celebrated Mitchell's storied past and peered into its bright future. The 2009-2010 school year ushers in a new day for Mitchell students and families. We opened in August as Mitchell Math and Science Elementary: A Student –Centered School. Mitchell students receive many wonderful, new opportunities because they are enrolled in a Math and Science magnet school. A rigorous hands-on, minds-on math and science curriculum includes more student-centered instruction in our classrooms. This incorporates a focus on inquiry-based instruction, cooperative group work, and project-based activities. Additionally, students have the opportunities to be taught math by local architects and bankers, science by local professors, medical students, marine biologists and farmers. Students also have the opportunities to work as tellers in the Mitchell branch of Heritage Trust Federal Credit Union. They may also work in the science labs at MUSC or the marine biology labs at Grice Marine laboratory or in an architecture firm with local architects. They have many internship and career exploration opportunities as Mitchell students.

As a part of a student-centered school, Mitchell parents have the option of sending their children to a traditional classroom or a Montessori classroom. In 2009-2010 we opened two Montessori preschool classes with 3 and 4 year-old students. As these children get older, we will continue to expand the Montessori program at Mitchell through the sixth grade. We are excited about providing another excellent choice for parents seeking an outstanding public school education.

Last year we garnered national attention for our focus of student health and wellness and for our push to use findings from recent brain-based research to improve classroom instruction and student learning. We continue to offer daily physical education opportunities for our students and to incorporate movement in our teaching practices.

Our goals for 2009-2010 are once again ambitious. We aim to continue to improve the wellness of Mitchell students, families and faculty by focusing on fitness and nutrition. We seek to increase parental involvement and engagement. Most importantly, we plan to keep a sharp focus on improving the academic achievement of all of our students. We believe that our math and science opportunities and our student-centered approach to instruction will bring the gains we know our students are capable of. Join us in making this year one of the most successful in the 100 years of Mitchell Elementary.

School Adequate Yearly Progress	YES
---------------------------------	-----

This school met 13 out of 13 objectives. The objectives included student performance, graduation rate or student attendance, and participation in the state testing program.

Definition: As required by the United States Department of Education, Adequate Yearly Progress specifies that the statewide target is met for "All Students" and for the following subgroups: Racial/Ethnic, Subsidized Meals, Disability, and Limited English Proficiency in the areas of English/Language Arts and Mathematics, as well as meeting the statewide target for "All Students" for attendance or graduation rate.

School Improvement Status	R-DELAY
---------------------------	---------

School Improvement Key	
NI	Newly Identified-The school missed adequate yearly progress (AYP) for two years. Sanction: Offer school choice.
CSI	Continuing School Improvement-The school missed AYP for three years. Sanctions: Continue school choice and implement supplemental services.
CA	Corrective Action-The school missed AYP for four years. Sanction: Continue school choice and supplemental services. The school district takes a corrective action.
RP	Plan to Restructure-Sanctions: Continue school choice and supplemental services. Develop a plan to restructure. If the school misses AYP the next year, the school implements the restructuring plan.
R	Restructure-The school missed AYP after two years of corrective action. Sanctions: Implement the restructuring plan. Continue school choice and supplemental services.
DELAY	The school met AYP in all subgroups and the indicator for one year, thus the delay provision applies. The school remains in the same status as last year and is referred to as in "Delay."
HOLD	The school made progress for one year in the subject area that identified the school for school improvement. The school remains in the same status as last year and is referred to as in "Hold."
